

CENTRAL TOLERANCE

i.

I see and immediately
dislike you, chemical
nostril of you, strut
posture you do. Come here.

No, you come over here.

Is there a reason
you are nervous?

I know your own mind.

More than you do
I do more than you're aware
there is a hidden order
different from the one
that's just what we're
going to find out.

Open.

ii.

I'm authorized; I'm
the only one here. Calm down.
